

Admiralty and Maritime

Many of the world's leading maritime companies have navigated their way to our door. Among our clients are:

- Insurers
- Cargo interests
- Oceangoing and inland vessel owners and operators
- Oil and oil field service companies
- Drilling rig and platform owners
- Seismic companies
- Supply boats
- Terminal and facility operators
- Other service providers

We offer them our counsel and representation as they face major, complex litigation as well as more routine challenges related to:

- Property damage
- Subrogation claims
- Collisions
- Insurance counseling and coverage issues
- Pollution
- Personal injury defense
- Blow out
- Towage
- Charter parties
- Contract disputes
