

## Insurance

---

Insurers and policyholders alike call on us to represent and advise them in a broad array of insurance-related matters, including in all phases of litigation. As evidenced by our inclusion in *Best's Directory of Recommended Insurance Attorneys and Adjusters*, the gold standard for service providers to the insurance industry, we can assist with any insurance-related need and often serve as retained counsel for insureds and risk counsel to financial institutions. We help clients with:

- Coverage questions and writing coverage opinions
- Claims litigation
- General casualty suits
- Title insurance
- Bad faith claims
- Directors' and officers' liability
- Products liability
- Professional liability
- Premises liability
- Environmental liability
- Employment practices liability
- Class action litigation
- Energy-related risks
- Lost Policy Cases
