

Insurance

We provide advice and representation to insurers and policyholders in a wide array of insurance related matters, including in all phases of litigation. As recognized by our inclusion in *Best's Directory of Recommended Insurance Attorneys and Adjusters*, the gold standard for service providers to the insurance industry, we can assist with any insurance-related need, including:

- Coverage questions and writing coverage opinions
- Claims litigation
- General casualty suits
- Retained counsel for insureds
- Title insurance
- Bad faith claims
- Directors' and officers' liability
- Products liability
- Professional liability
- Premises liability
- Environmental liability
- Employment practices liability
- Class action litigation
- Energy-related risks
- Risk counsel to financial institutions
- Lost policy cases
