*New Orleans Magazine* presents the Top Lawyers list annually, and this year's list was prepared by Detroit-based Professional Research Services. Honorees were selected via a voting system, in which voting was open to all licensed attorneys in New Orleans. The voters were asked which attorney, other than themselves, they would recommend in the New Orleans area, and each attorney was allowed to recommend up to three colleagues in each given legal specialty. Once the online nominations were complete, each nominee was carefully evaluated on the basis of the survey results, the legitimacy of their license, and their current standing with the State Bar Association of Louisiana. Attorneys who received the highest number of votes in each specialty are reflected in the Top Lawyers list.
